Data Analysis - Sales (Walmart - USA)

By:-Ratan Kr.Sharma (Analyst)

Objective

- 1)-What is the overall sales trend?
- 2)-Which are the Top 10 products by sales?
- 3)-Which are the Most Selling Products?
- 4)-Which is the most preferred Ship Mode?
- 5)-Which are the Most Profitable Category and Sub-Category?

IMPORTING REQUIRED LIBRARIES

```
In [2]: # Data Manipulation
   import pandas as pd

# Data Visualisation
   import matplotlib.pyplot as plt
   %matplotlib inline

import seaborn as sns
```

IMPORTING THE DATASET

```
In [12]: # Importing os directory
import os
os.getcwd()

Out[12]: 'C:\\Users\\HP'

In [16]: # Importing dataset- Dueto Larhe file it can take time to Load )
    df = pd.read_excel('superstore_sales.xlsx')
```

DATA AUDIT

```
In [17]:
           # First five rows of the dataset
           df.head()
Out[17]:
             order_id order_date ship_mode customer_name
                                                                      segment
                                                                                    state
                                                                                          country

Answer We found

Q1-What is the overall sales trend? ----> Ans -It is increasing every Quarter

Q2-Which are the Top 10 products by sales? ----> Ans-Apple Smart Phone , Cisco Smart Phone , Motorola Smart Phone---so on

Q3-Which are the Most Selling Products?----> Ans-Staples, - Cardinal Index Tab , Eldon File Cart, Single ---so on

Q4-Which is the most preferred Ship Mode?----> Ans - Standard , Second , First , Same Day

Q5-Which are the Most Profitable Category and Sub-Category?---> Ans - Technology , office supplies , furtiture

Output & Conclusion

As market is increasing as we see in last quarters it is increasing it means there is demand and we have to focus on FG stock of the top selling product which consist majority %age of the sale value . and as there is demand in Technology sector we have to focus on that and there assecories . and we need to prefer stand shipment .

thanks..
